**SUPPLEMENTARY INFORMATION**

**Agenda**

The committee will receive an update from the Plan Development Team on witch flounder analysis for Framework Adjustment 55, for informational purposes only. The committee will also discuss and plan for 2016 Council priorities for groundfish. They will review and potentially provide input on draft guidance prepared by NMFS related to the evaluation of catch share programs. The committee will also review and discuss potential 5-year research priorities for groundfish. Other business will be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
